# CUSTOM B2B ORDERING PORTAL

To simplify the ordering process for your Notaries and system administrators, we're able to custom configure your Trusted Notary ordering portal with pre-selected supply packages. Whether becoming a Notary for the first time or renewing their commission, you'll be sure your Notaries have just what they need.

PRE-SET

All supply items are pre-programmed into the ordering portal for all 50 states.

SIMPLE

Notary manager selects either "new Notary" or "renewing Notary" packages.

COMPLIANT

Supply packages ensure that state requirements and company compliance policies are met.

CUSTOMIZABLE

We can customize your packages based on the unique needs of your organization.
