

Model Notary Act Revision Committee

The Model Notary Act of 2022 Revision Committee comprised public-spirited individuals who generously contributed their time and expertise to review the Act, exclusive of the Comments and appendices (see Foreword). No part of the Model Notary Act necessarily has been approved by every individual, organization, or agency represented. The Committee does not lobby for adoption of the Act. The organizations cited below were represented by Committee members at the time of their participation and are not necessarily their current affiliations.
